

Cadet Orientation Flight Information Guide

You must have a CAP Form 9 filled out and on file before you can go on a Orientation Ride.

At the time of your flight you must be in uniform, have in your possession your CAP ID Card (or Proof of current Membership)and the Course Syllabus. There are no exceptions to these requirements.

1. From the Flight Orientation Box pull the Syllabus for the flight you want to take. You will be required to study the chapter in your book that pertains to your up coming flight.
2. For your pending flights put the "Cadet Sign-Off Sheet" form in the Orientation Pilot's box located in the Seniors Office. Make sure that your name, CAPID # and Phone Number are on the form.
3. A Orientation Pilot will contact you to arrange a time for the Flight. Be courteous and be sure you can make the time that you set up.
4. Return the "Cadet Sign-Off Sheet" to the Orientation Box so you will have it available for your next Flight. This is your only record of your flights don't misplace this important record.
5. You will repeat this process for all five Powered Orientation Flights.

	New Manual	Old Manual
		Flight of Discovery
Powered Flight One	Dimensions Module 1	Chapters 1 ~ 7 ~ 8
